About Our Products

The ASK team has family members on the front lines so our commitment is deep and personal. Working with a network of experienced and reliable distributors and FDA Approved and FDA Compliant manufacturers, we're working to support organizations of all sizes. **No BS.**

[PPE Resources](#)

Not another flash in the pan.

Commitment to transparency. ASK PPE is part of ASK Consulting Group LLC, a business advisory group founded more than 20 years ago to help companies grow. Early in the COVID-19 pandemic, while helping a client secure financing to acquire PPE, we experienced the type of wild-west, no-rules, free-for-all we haven't seen since marijuana was legalized. Questionable brokers, the sale of product that didn't exist and worst of all, deposits made on product that was never delivered. **In short, we saw lots of BS – business scams.**

ENCORE[®] Perry Style 42[™] PF

S U R G I C A L G L O V E S

Latex, powder-free surgical glove with a smooth finish and optimized thickness achieving the ideal balance of protection and tactile sensitivity

KEY FEATURES AND BENEFITS:

- Made with proprietary anatomic formers to enhance comfort and fit to help reduce hand fatigue
- Optimized glove thickness for the best balance of protection and tactile sensitivity
- Polymer coated for fast and easy donning

CAUTION: Safe use of these gloves by latex-sensitized individuals has not been established. This product contains natural rubber latex, which may cause allergic reactions.

Recommended For

- Brief, low-risk examination procedures
- Sterile procedures in the O.R.
- Use as an outer glove when double gloving
- Sterile procedures outside of the O.R.

**ENCORE[®]
The Confidence to Perform**

Dedicated to delivering optimized solutions engineered to provide a high degree of confidence to surgeons, O.R. nurses and surgical technicians seeking protection with a high level of dexterity, comfort and grip so they can perform at their best.

ENCORE[®] Perry Style 42[™] PF
