About Our Products

The ASK team has family members on the front lines so our commitment is deep and personal. Working with a network of experienced and reliable distributors and FDA Approved and FDA Compliant manufacturers, we're working to support organizations of all sizes. **No BS.**

[PPE Resources](#)

Not another flash in the pan.

Commitment to transparency. ASK PPE is part of ASK Consulting Group LLC, a business advisory group founded more than 20 years ago to help companies grow. Early in the COVID-19 pandemic, while helping a client secure financing to acquire PPE, we experienced the type of wild-west, no-rules, free-for-all we haven't seen since marijuana was legalized. Questionable brokers, the sale of product that didn't exist and worst of all, deposits made on product that was never delivered. **In short, we saw lots of BS – business scams.**

GAMMEX® Non-Latex PI Green

S U R G I C A L G L O V E S

Polyisoprene, skin-friendly surgical glove ideal for a broad range of surgical procedures

KEY FEATURES AND BENEFITS:

- Softer and 'stretchier' PI glove featuring superior comfort compared to Ansell's latex gloves
- Anti-slip, smooth external finish for secure instrument handling and grip
- Tested for use with chemotherapy drugs and a wide range of chemicals*

**Contact Ansell Customer Service for specific chemotherapy drug permeation times and recommendations.*

Recommended For

- All surgeries, especially high risk procedures in orthopaedics, trauma, and cardiac
- Protection from chemical accelerators such as thiurams, carbamates and mercaptos known to cause chemical Type IV allergies
- Tested for use with chemotherapy drugs
- Having passed the Mouse Embryo Assay (MEA) test, may be used for In Vitro Fertilization (IVF) procedures

FEATURED TECHNOLOGIES

GAMMEX® Innovation that Protects

Driven by innovation, GAMMEX® surgical gloves are engineered to respond to the evolving user needs of the surgical community. Featuring unique formulations and cutting-edge technologies, ergonomic comfort and superior protection, healthcare workers around the world entrust their hands to ours.
