The ASK team has family members on the front lines so our commitment is deep and personal. Working with a network of experienced and reliable distributors and FDA Approved and FDA Compliant manufacturers, we're working to support organizations of all sizes. **No BS.**

[PPE Resources](#)

Not another flash in the pan.

Commitment to transparency. ASK PPE is part of ASK Consulting Group LLC, a business advisory group founded more than 20 years ago to help companies grow. Early in the COVID-19 pandemic, while helping a client secure financing to acquire PPE, we experienced the type of wild-west, no-rules, free-for-all we haven't seen since marijuana was legalized. Questionable brokers, the sale of product that didn't exist and worst of all, deposits made on product that was never delivered. **In short, we saw lots of BS – business scams.**
